Dear Ms Tarihoran:

Ref: Educational strategies for secondary stroke prevention: An integrative literature review

Thank you for addressing the concerns of the reviewers. We are pleased to accept your paper for publication in American Journal of Health Education. Congratulations!

Your manuscript will eventually be forwarded to the publisher for copy editing and typesetting. The Taylor and Francis group and the editorial staff of AJHE reserve the right to edit all accepted manuscripts, including the title and abstract, to conform with approved word count and stylistic guidelines. You will receive proofs for checking, and instructions for transfer of copyright in due course. The publisher also requests that proofs are checked through the publisher's tracking system and returned within 48 hours of receipt.

Thank you for your contribution to American Journal of Health Education and we look forward to receiving further submissions from you.

Cordially

Dr. James M. Eddy

Editor, American Journal of Health Education
