Dear Mrs. Permaida,

Manuscript ID JCHC-2023-0192 entitled "Scenarios of sharing medical care between parents and healthcare professionals for children with profound intellectual and multiple disabilities who live at home: A qualitative study" has been submitted to the Journal of Child Health Care.

I invite you to review this manuscript. The abstract appears at the end of this letter. Please let me know as soon as possible if you will be able to accept my invitation to review.

Journal of Child Health Care greatly values the work of our reviewers. In recognition of your continued support, we are pleased to announce that we have arranged with our publisher SAGE to offer you free access to all SAGE journals for 60 days upon receipt of your completed review and a 25% book discount on all SAGE books ordered online. We will send you details of how to register for online access and order books at discount as soon as you have submitted your review.

The usual time-frame for submitting your review is 4 weeks. However, it helps the journal enormously if you are able to return your review before this.

If you are unable to review at this time, I would appreciate you recommending another expert reviewer. You may e-mail me with your reply or click the appropriate link at the
