To: ameliamakmur@gmail.com

Dear Ms. Amelia Makmur,

Congratulations. Your submission (ICSIE 2018: 050-049) entitled "Performance Indicators Development for Toll Road Minimum Service Standards in Indonesia" has been **accepted** for presentation at the conference.

You are therefore requested to submit "Camera-ready paper" before **Friday, November 16th, 2018**. When submitting the camera-ready paper, make sure you follow STRICTLY the format of our conference proceedings.

The reviewer's comments, if any, are provided to assist you in preparing your camera-ready paper. You may submit your Camera Ready paper here: [Submit Camera Ready Now](#)

Also, all the changes you may perform in the camera ready paper must be highlighted so that the editor can easily see the changes. The submission of camera ready paper must be in MS Word format.

We would like to remind you that the **Conference Fee shall be paid before conference date**. Failing to do so will result in ineligibility to have your paper published in the journal or proceeding. The International Conference on Sustainable Infrastructure Engineering will be held on 3 - 4 December 2018 at The Federal Kuala Lumpur, Malaysia.

Thank you for your cooperation and attention.

We are looking forward to seeing you at the conference.

Best Regards,

ICSIE 2018 Administration

Reviewer's Comment:

REVIEWER 1:

Abstract - need improvement

Sub-topics - need to be re-arrangement and re-write title

Methodology - not provided

Results - acceptable except figure and table font size to small

Summary - change to Conclusion

References- Only 8 articles was cited of 59 articles.

Acknowledgement - to be suggested

REVIEWER 2:

i) Proofreading is recommended

ii) Please refer iscee paper template for citation in text and references.

REVIEWER 3:

Overall, the paper is good, the title is significant and the content is highly sufficient, but need some observations to improve the quality and readability of paper.

The similarity index of this paper is less than 25% including references, which satisfied the requirement.

This paper can be accepted for presentation and publication. However, the author needs to adhere to all comments made by the reviewers.

The quality of the digital images should be at least 150 - 300 dpi. Please check the format of paper such font, figure, citation, and references. Otherwise, your paper will not be indexed in Scopus.

Dear Respected Authors

Congratulations, your paper has been selected for publication in IJIE Journal Indexed by Scopus. However, before it can be published we need you to improved the paper in terms of the IJIE formatting (see attachment). Please submit the complete to alvin@uthm.edu.my before 8th of April 2019. Fail to do so will effect your papers publication into the journal.

Thank you

Regards
Secretariat
