Dear Dr. Loho:

I am writing to invite you to review manuscript ID GERMS-R-2020-0067, a Review entitled "Molecular mechanisms of colistin resistance in Africa: A systematic review of literature", which has been submitted for consideration for publication in GERMS.

In light of your expertise in the field, we would be honored if you would accept to review this manuscript for GERMS within three weeks. You can find the abstract at the end of this letter, along with the names of the authors. Please let us know as soon as possible if you are able to accept our invitation and perform the review by 03-Aug-2020.

If you are unable to review at this time, we would appreciate you recommending another expert reviewer. You can e-mail us with your reply or click the appropriate link at the bottom of the page to automatically register your reply with our online manuscript submission and review system.

Once you accept our invitation to review this manuscript, you will be notified via e-mail about how to access ScholarOne Manuscripts, our online manuscript submission and review system. You will then have access to the manuscript and reviewer instructions in your Reviewer Center.

I realize that our expert reviewers greatly contribute to the high standards of the Journal, and I thank you for your present and/or future participation.

Best regards,

Dr. Oana Sandulescu
GERMS Associate Editor
