Dear Mrs. Simamora

With reference to your manuscript entitled 'Bioactivities of Methanol and Ethyl Acetate Mace Extracts of Myristica fragrans Houtt', please review the comments of the referees from our site <http://www.journalonweb.com/phcogcommn>. The manuscript would be reconsidered after requisite modifications as per the comments and instructions provided by the journal.

If you wish to continue with the publication process, kindly make the changes according to the comments and upload the revised manuscript from the site along with the point to point clarifications to the comments indicating clearly where in the manuscript the changes have been carried out. Do check the FAQ related to replying to the comments and uploading a file. The contributors' form/images should be sent separately to the Administrative Office of the journal.

The journal allows four weeks for the revision of the manuscript. If we do not hear from you within this period, we will consider it your non-desire to continue the article with us. Please also note that submission of revised article does not guarantee its final acceptance by the journal.
