[InaBJ] M201743 Editor Decision - Revisions Required

Secretariat of The Indonesian Biomedical Journal <secretariat@inabj.org>

Tue, 2 Jan 2018, 16:31

Dear Dr. Adelia Simamora,

Good day. We have reached a decision regarding your submission to The Indonesian Biomedical Journal, "**In Vitro Antidiabetic and Antioxidant Activities of Aqueous Extract from the Leave and Fruit of *Psidium guajava* L.**"

This manuscript is interesting, but it **needs to be corrected** before it can be published in The Indonesian Biomedical Journal. You can find the reviewers' comments and suggestions on the manuscript attached.

Please revised this manuscript according to reviewers' suggestions. Provide us an added/corrected/revised version of your manuscript and also a response letter to reviewer before **January 22, 2018**. Please mark/highlighted the revised part of the manuscript, so that editor will notice the changes.

When you done, you can upload it: <https://inabj.org/index.php/ibj/author/submissionReview/402>, or simply email us. Feel free to make justification and also provide us your comments if you found inapplicable comments or suggestions.

Please let us know if you have any questions.  
Thank you for your attention. We wish you a nice day.

Tue, 15 May 2018, 16:58

Dear Editors

We would like to, once again, thank the editors for accepting our manuscript. As we notice, the status of our manuscript in your website is now 'in editing'. Herewith, we would like to inquire about the next step of the publishing process, whether or not there would be a proof reading step before final publication. We inquire this in order to make sure that all the contributing authors are included and in the correct order as is previously written in the manuscript. We understand that you are busy and thank you for taking time reading this.

Regards  
Adelina Simamora
