Dear Author(s)

We have received your paper 'Human capital traits and informal knowledge sharing: the role of reciprocity norm, mutual trust, and cultural interpretation perspective' for publication in Int. J. of Knowledge Management Studies.

A paper cannot be processed for publication without a signature from every author on a Copyright Agreement Form .

If there is more than one author for a paper every author must sign. It is not acceptable for one author to sign on behalf of all authors.

The form can be downloaded from the Inderscience website at: <http://www.inderscience.com/www/authoragree.pdf> and can be printed and signed before scanning, or digitally signed following the instructions on the website.

Authors on the same paper may have one form with ALL signatures or their own individual forms but each form must list all authors on the paper above the title at the top of the form. All the authors' names must be in the same order as they are listed in the original manuscript.

Could you please upload/send the agreement/s? I have attached the form for your convenience.

Your immediate response would be appreciated.

Thank you for your cooperation.

**PROOF OF PAPER FOR CHECKING**  
**Title: Human capital traits and informal knowledge sharing: the role of reciprocity norm, mutual trust, and cultural interpretation perspective**

Dear Author

I attach the proofs of your paper for inclusion in the International Journal of Knowledge Management Studies to be published by Inderscience Publishers.

**Please check the paper and confirm acceptance or let me have any amendments/ changes within 2 weeks of the date of this e-mail.**

**Please ensure that you send ALL amendments with your reply as it is unlikely that any further changes will be possible. You will be sent a final revised version to approve after your amendments have been incorporated.**

With regard to keywords, please check ALL the essential words/terms from the title and abstract are included and in an optimum format, which is ideally of 1-3 words; if more than 1 word, the words should be a phrase, not a description. Therefore, please check papers for:

- do the words/phrases in the title appear in the keywords – NO – then please add
- are there enough keywords in the field? (i.e. if there is a long abstract and only 2-3 keywords, then probably not – please expand)
- are there long phrases with 'of' and 'and' in them? (YES – then please re-format into key phrases).

Where applicable, the title of the journal should also appear in the keywords (e.g. for International Journal of Nanotechnology, 'nanotechnology' should appear in the keywords; for International Journal of Environment and Pollution, 'environmental pollution' would be the phrase to use. This is obviously more applicable to some journals rather than others. Detailed requirements for papers can be found on the Inderscience website [www.inderscience.com](http://www.inderscience.com) under Notes for Authors.

**To ensure the publication schedule is maintained and in the event of you not replying within this timescale, contact will be made with the Editor of the issue and it is possible that the paper will be held back from publication.**

**It is the policy of Inderscience Publishers not to publish any papers unless final approval of the edited copy has been obtained from the author.**

May we ask you to indicate your amendments using one of the following:

mail.google.com/mail/u/0/?tab=rm&ogbl#label/Journal/FMfcgxmLbbRjtVlQrGnprRBXxCmfVzn

label:journal

32 of 36

May we ask you to indicate your amendments using one of the following:

- list the corrections/amendments in an MS Word file (see attached)
- make annotations on the PDF
- list in an e-mail and indicate the page number, paragraph or line one by one copy a portion of the text that needs correcting so we can locate them making the implementation of corrections more accurate

**If any figures appear in colour, please note that they will only appear in colour in the online version but in the printed version they will be in black and white.**

**If the quality of the colour figure supplied is not suitable to be produced in colour, it will only be shown in black and white in the online version. However, if colour is essential to the figure please send a better quality colour image with your proof reply**

Where there is more than one author, please indicate who is the corresponding author if not already shown and kindly respond to any queries in the paper.

Many thanks  
Kind regards,  
Ismail
